

Star Clock

THE TIME IS

STAR CLOCK

How To Use Your Star Clock—

- Go outside and find the Big Dipper and North Star.
- Face the North Star.
- Turn the outer circle of the Star Clock so the current month is at the top.
- Turn the inner circle until the picture of the Big Dipper lines up with the Big Dipper in the night sky.
- Read the time in the window. Remember to add an hour if it's daylight saving time.
